Subject: RE: Soitec Projects - Request of amended renewable PPA agreements

Good Morning Janet,

The following link will take you to the advice letter you informed me of: <http://regarchive.sdge.com/tm2/pdf/2552-E.pdf>
I spoke with the applicant about this advice letter and was informed that this letter does not affect the processing of permits for the four sites in the Boulevard area (Rugged, Tierra Del Sol, LanEast, and LanWest). The applicant will continue to pursue approval of the necessary permits for those locations along with the processing of the Program EIR.

Thank you,

Robert Hingtgen, Planner III

Hi Robert,

I couldn't find the Advice Letter on the Internet, but you might want to ask the applicant when you talk to them.
